

Bringing ACT into Your Professional Practice

Congratulations on completing the ACT training program! The ACO appreciates your commitment to learning about a framework for working with all those touched by adoption and permanency journeys. To build on your investment in the ACT training program and your goal to becoming an adoption and permanency competent professional, ACO offers the following menu of options to our ACT alumni:

▶ **Basic COP:**

Virtual “drop-in” Community of Practice meetings held monthly. Each meeting will be approximately 2 hours, using an agenda co-created by participants. (\$50/meeting)

▶ **COP Subscription:**

A subscription to a closed monthly virtual Community of Practice series from September to June with approx. 12-15 participants. The series will consist of 3-hour meetings each month with a planned agenda of topics and an opportunity to discuss cases. The series will begin in September with a 4-hour ACT refresher. Agencies can arrange a COP subscription for a staff group at a group rate. (\$925/year)

Each of the COPs and services described above will be led by Dianne Mathes, RSW and/or Karen Moore, RSW, both of whom are highly skilled adoption and permanency professionals, and very experienced ACT trainers.

Sliding scale fees can be made available. Group rates for agency or staff teams are also available.
