PRESS RELEASE

NEVER TOO LATE (NTL) OFFICIALLY INDEPENDENT OF THE ADOPTION COUNCIL OF ONTARIO (ACO)

APRIL 3RD, 2023

As of April 1st, 2023, the Never Too Late Program, a program of the Adoption Council of Ontario (ACO) for the past five years, has moved to become independent of the ACO. Never Too Late is now a stand-alone, not-for-profit corporation known as Never Too Late (NTL).

Five years ago, Never Too Late (NTL) began as a vital, creative program of the ACO focusing on supporting older youth/young adults who have aged out of care. Never Too Late (NTL) is an incredible program that has grown tremendously over this time.

The ACO has been proud to support and mentor Never Too Late (NTL), and we are excited to see Never Too Late (NTL) expand and continue its amazing work. The ACO looks forward to ongoing collaboration between the ACO and Never Too Late (NTL) as two organizations who believe permanency is a right regardless of age or stage.
