Competency Training

Adoptive, Kinship & Customary Care Families

We invite you to take our Pathways course.

Wherever you are in your journey, this course is designed to support those parenting children and youth on permanency journeys, all of whom have experienced trauma and loss. The eight week program empowers parents and caregivers to effectively parent their children and help them heal.

In this program you'll learn tools & techniques for:

| | | | |
|--|--|---|---|
|  <p>Creating Positive Attachments</p> |  <p>Understanding Child Development</p> |  <p>Parenting Children with Extra Needs</p> |  <p>Building Community-Based Family Supports</p> |
|--|--|---|---|

...and Much More.
